All competitors should be on-site no later than 8:30AM Sunday morning to allow time to get you checked-in, in grid and allow enough time for tech inspection. We expect all cars to be in grid by 8:45AM. Check-in will be on site and open at 7:45AM Sunday morning. Please arrive between 7:45 and 8:45AM. Check-in will close promptly at 9:00AM, so we have enough time to organize timing and scoring for first car off by 10:00 AM. Tech inspection will be in grid. You'll need your helmet for tech inspection. When you arrive in grid, open your hood, trunk, leave

your helmet in the driver's seat, and all loose items out of the car. If you need a loaner helmet there will be a few available on-site.

Run Order

To be determined by Indy SCCA Event Chair.

For two driver cars, 2nd driver may be bumped to the other Heat at the discretion of the event Chair. Two driver cars are required to use a two-digit number for the first driver and a "1" in front of the two digit number for the second driver – for instance 94 and 194.
