

Indianapolis Region SCCA Presents: 2018 Solo School May 5th @ Grissom Aeroplex

WHAT IS IT?

A novice style Solo School with the goal of providing basic driving, course reading and course/event working skills.

WHO IS IT FOR?

This school is intended for Indy Region Members with **2 years or less autocross experience**, no National event experience, with the desire to attend National Events in the future and/or to increase their autocross skillset. Been to a few events and want to do more? Want to pick up some tips to help you climb the finishing order and win your class? Maybe even contend for the Tovey Cup? Want to learn from some of the best Soloists that Indy Region has to offer? Then this is for you!

WHY?

Because we want to give our members the tools to make themselves better Solo drivers and participants!

*****Space is limited to 25 students*****

Pre-Registration ONLY at www.motorsportreg.com

Cost: \$60

Includes: Free Lunch!

**Also include: a FREE ENTRY to Indy Points event #1 on the next day –
May 6th**

Schedule:

7-7:45 – Student arrival, check in, tech, breakfast (get there early!)

8-8:30 – Driver's meeting (intros and basics)

8:30-9 – Course walk learning session

9-12 – Morning course session

12-1 – Lunch (provided!)

1-4 – Afternoon course session

4-4:30 – Clean up, debrief, Q&A

Contact Will Lahee with any questions at: wlahee@gmail.com

What To Bring

Here is a list of "must haves" and "nice to haves" for autocross events:

Must Haves:

Driver's License: Everyone must be a legal driver to participate in SCCA events.

Car: Almost any vehicle can autocross, the exception are vehicles with a heightened rollover risk such as large SUVs or pick-up trucks. If you have concerns about the vehicle you would like to take the school in, please contact us.

Nice to Haves:

Comfortable Shoes: There will be some standing / walking associated with the school. Many drivers prefer to wear driving shoes when in the car, but having a more comfortable pair for the rest of the day is advisable.

Folding Chair: There will also be some down time, and time at Lunch where you may want to take a load off.

Umbrella: Umbrellas are ok for staying dry, but great for portable shade on hot days.

Sunscreen: Schools happen outside, apply early and often!

Hat: To keep the sun out of your eyes or to manage helmet hair, a good idea either way.

In Case of Wet Weather Nice to Haves:

Autocross is a rain or shine sport. Here are a few things that we recommend for wet days...

Rain Suit: Many have had a miserable day due to attempting to get by with a poncho. A rain suit can be had for less than \$100, and will keep you much more comfortable than a poncho can.

Plastic Bins: Bins are great for keeping your race stuff organized, clean and dry.

Towel: A towel is nice for drying off hands and feet before driving on a wet day.
