

Indianapolis Region SCCA SOLO AWARDS Rules

1. The Indy Region Solo Series will be known as “The indyscca.org Solo Series”. Class championship year-end awards will be presented as follows:

- a. Within each class defined in the current National Solo Rules, as well as any defined regional level classes as published in the SCCA SportsCar magazine or Indianapolis Region *Clutch Chatter*. Indianapolis Region regional level class rules and/or event supplemental regulations may be used to further clarify scoring issues.
- b. Class championship points will be awarded based on official results as follows:

FINISHING POSITION	POINTS
1	12
2	9
3	7
4	6
5	5
6	4
7	3
8	2
9 through last	1

c. If a competitor finishes with a DNF time, they will receive 1 Class point.

Class championship trophies shall be awarded to eligible Indianapolis Region members using the following formula: Total number of entries in the class for the season, divided by the number of points events in the season. Non-points events using normal classes will be included for the total number of entries in the season. This result (rounded up to the nearest whole number) is the average size of the class, and the number of class awards will be determined using the following distribution:

AVERAGE ENTRANTS	NUMBER OF AWARDS
1 to 3	1
4 to 6	2
7 to 9	3
10 to 12	4
13 or more	5

2. Year-end qualifications for Class Championships:

- a. Must be an Indianapolis Region member before the start of the final points event of the season. Anyone who joins before the start of the final points event of the season will receive points for events run during the season as a non-member. Proof of membership must be submitted to the Solo Chairman. Anyone who joins after the start of the final event of the season will receive points only for events run after joining. If the final event of the season should be cancelled, points will not be awarded to non-members unless proof of Indianapolis Region membership is presented to the Solo Chairman showing valid membership before the day of the cancelled final event. Proof of membership must be presented within two weeks after the scheduled date of the cancelled event.
- b. The member must compete in one given class for more than 50% of the region's class eligible Solo points events. (Round up for odd number of events.)
- c. The member's best finishes in at least 70% of the region's class eligible Solo points events will be counted. (rounded to the nearest whole number.) This allows for non-attendance at a certain number of class eligible points event without penalty.

d. Ties for year-end points will be broken on the basis of quality of finishes in the members events used to decide year end points, i.e. most number of firsts, most number of seconds, etc. Any remaining ties for year-end class championship points will be broken by comparing the cumulative PAX scored finishes at the points events in which the tied competitors competed together, excluding Australian Pursuits or any other type of event in which PAX results cannot be obtained.

e. Members must qualify their points by working at least one event as, or under the supervision of, a specialty chief. Qualified positions include: Safety Steward, Chief of Tech, Registration, Course Design, Chief of Workers, Course Set-Up, Course Tear-Down, or any other position so deemed by the Solo Chairman.

f. If a competitor does not meet all of these requirements, their points will be forfeited and removed from the running for the Class Championship. This will result in the competitors below them being moved up in position.

3. It will be the responsibility of the Solo Chairman and/or a designated representative to publish the class points standings toward year-end class points totals twice a year in Clutch Chatter and/or the region web site. The competitor with the most first place finishes shall be judged the winner, or if both have the same number of first place finishes, then the most second place finishes, etc. In the event that all finishes have been compared and competitors are still tied, the PAX times of the tied competitors, counting only events where all tied individuals competed, shall be added.
