Board Meeting Notice	back cover

Thanks. It's a word that many people in this world do not use enough. I may just make up for that in this short column alone. As this is my final RE News for my current tenure, I'm taking the opportunity to say thanks to all of you reading this. Because if you are reading this, it means that you are interested in this club and in this region. I want to say thanks to all of the Race workers that endured another season of rain at IRP. I want to say thanks to all of the racers and crews that attended our events again this year after the difficult weather of the past several seasons. I want to thank all of the Solo competitors that came out and had fun with us again this year by dodging (not always successfully) cones. I want to thank all those Solo competitors that went the extra step and helped make the events run smoothly by working as a Chief of Specialty. I want to thank the Rally workers for sitting along a road out in the middle of nowhere to work a checkpoint. I want to thank the Rally competitors for coming out and making their co-drivers a little nauseous.

I want to say thanks to all of those that served on the 2003 Board of Directors with me and helped make this region

THANKS AGAIN, WORKERS (Our All-Volunteer Core)

what it is. I want to say thanks to the group of individuals that have stepped up and accepted nominations to be on the Board in 2004. And of course I want to thank my wife and family for putting up with me.

Hey, I just wanted to say...Thanks. It's been a really fun year.

An invitation for the Indianapolis Region Year-End Banquet and Annual Membership Meeting on Saturday, December 6, at the Kendall Inn is also in this issue. Fine dining, awards, video presentations, guest speakers, and lots and lots of great raffle prizes await for all of you.

If I don't see you before, I hope to see you on the 6th at the Kendall Inn!!

Steve

See YOU at the Board Meeting... Share the FUN...

Minutes of the November Board Meeting

By Dick Powell

These are the minutes of the November 11, 2003 meeting of the Board of directors. Present at the meeting were Clemens Berger, Raleigh Boreen, David Burkhead, Matt Curry, Scott Dales, Darren Daubenspeck, Dave DeBolt, Chuck Hanson, Larry Harts, Pete Hylton, Jim Lin, Ian Linn, Lou Ann Linn, Steve Linn, Chris McGuire, Candice Pope, Dick Powell, Cheryl Swarts, Rick Swarts, Jay Quinn, Jeannie Spellman, Chad Stringer, and Roy Wilkerson.

Old Business. Steve Linn read the updated nominations for 2004 Officers. Matt Curry and Dick Powell will prepare ballots to be mailed on Nov. 18, as will Clutch Chatter with the ballot. Ken Osiecki has resigned from the BOD. The position will not be filled for the remainder of 2003. SCCA HQ has requested any dues changes be submitted by Dec. 4: our std. Dues remain the same. Columbus Region has paid in full for the Solo trailer.

Treasurer's Report. Current Checking balance is 31,058.31; current Money Market is 14,877.83. Chris expects to move 25K from Checking to Money Market. The National Office has auto pay/debit in effect for us.

Race Program. The CenDiv Race Schedule was tentatively set up at the CenDiv Roundtable. Our Double Regional will be Mothers Day Weekend; Pete is planning some special enhancements. Our National is still July 4th weekend, but CenDiv is open for the weekend before and two weekends after, so our entries should be good. Darren has reserved the Radios for rent for both weekends.

The CenDiv Regional Championship Series will include all regionals in the division this year, and single regionals will be getting double points. Jay Quinn and Jeannie Spellman are running the series, and have also volunteered to be Co-Chairs with Pete Hylton for our region.

Clutch Chatter. November/ December combined is-

sue will include the Ballots for Election of Officers, and will be mailed on November 18th. This coincides with the mailing of ballots to members not receiving CC.

Website. CJ reports we are averaging about 50,000 hits per month on our website, up significantly from previous. Lots of hits for results and pictures.

Membership. There are currently 586 members. National Office would like Email addresses for the new Membership Chair and Treasurer to facilitate confirmations of fund transfers. There have been 8 submissions for Involved Member Award; a few more are expected before the Nov. 16 deadline for Banquet award. Competitor of the Year award points are on the website. Matt Curry will update for the website and CC.

Activities. Lou Ann Linn has been receiving some RSVP's for the banquet. Lou Ann will be helping set up the room on Saturday afternoon. Ian Linn has acquired an electronic projector for the slide show and presentations. Matt Curry is assembling the slide show again this year. Lou Ann is still collecting door prizes. Steve Linn will be assembling the trophies for the event.

Rally. Candice Pope presented a well prepared report to the meeting. The October event was quite successful, and the November event will be the last points event for rally competitors, as well as for the Competitor Of The Year award. There are 3 persons in the running for 1st in experienced category. Candice is looking for persons to put on rallies for next year. Chuck Hanson is working on a date for the National, and will be the event chair. Candice and Chuck will work with Darren and Scott Dales to coordinate the dates for Solos and Rallies.

Solo. David Burkhead has volunteered to be the Solo Co-Chair for next year along with Darren Daubenspeck.

(November minutes continued)

We have a date to host a CenDiv Regional Solo Event: June 26 & 27, 2004. Raleigh Boreen will be the Event Chair, and presented a proposed budget for the event. The BOD voted to approve the event and the budget.

Jack Tovey has offered to match contributions from Indy members for purchasing new cones.

Shane Benson has again offered to sponsor the AIM

Challenge for next year: we expect to combine this with the Converse event again in 2004.

New Business. Next meeting will be the Banquet on December 6th. A January date will be decided at that meeting.

Meeting was adjourned.

Respectfully submitted,

Dick Powell

If you are planning to race during January (Arizona or Florida), you need to get you Annual completed. Also, Jay will be gone during January and February, so other early Racers need to call Jay in December.

Solo Report: Work Day for da' Bus

by Darren Daubenspeck

The Indy Region's last Autocross event of the year was a great swap-o-rama! Several folks took advantage of the non-points format to take a run in a buddy's car, or find out what the passenger side feels like in their own ride. I'd like to thank Bob Cochrane, Matt Curry, and Scott Dales for allowing me to take a lap in their cars. (I hope I'm not forgetting anyone...but it won't surprise anyone if I am....) I thought that Mark Lamm and Steve Young were going to have to pry Steve Linn out of the Dulon, because he reee-aaaaaaalllllllly liked carving corners in it. What a great ending to the Indy region season, and the all-volunteer, non-points, many, many runs format will probably be kept for the next season's ender. Let me know what YOU think.

We need to have a work day(s) for 'da Bus sometime soon in November or December. It is stored indoors, so the elements won't be a concern. Details to repair include: firming up the floor, winterizing, repairing the shift linkage, tuning up the brakes, and removing the rear heater. Please contact Darren if you have a weekend day or two to volunteer for the cause.

I'd urge everyone to attend the December 6 Year-End Banquet – especially the class trophy winners! Trophies will be distributed at the event, and it's a great chance to fraternize in a relaxed environment without an event to worry about.

Have you thought about the 2004 Indy Region Solo II Season, and how you'll participate? David Burkette has stepped up to be Solo II Co-Chairman to work with Darren for the year. If you have a desire to see the program continue to grow and flourish, please stand up and volunteer to help. It takes the dedicated efforts of Co-Chairmen, Event Chairmen, Event Specialty Volunteers, and an Uncredited Cast of Thousands (well, maybe not that many) to pull off our events, so please step up to give back!

During the 2004 season we will be REQUIRING Event Chairman for each Solo event. This will allow members to get more of a feel as to the actual running of individual events while the Solo Program Chairmen will concentrate on the program as a whole. The duties of an Event Chair are all the things you already see us do at an event: Arrive early, set the course, run registration, run the drivers meeting, assign run groups, oversee the running of the event, and hand out trophies at the end. By working as an Event Chair, you will get a good idea of all that is involved in running a successful event, plus you can qualify those year-end class trophy points. Don't worry, the Solo Chairs will still be there to guide you along. We will be posting the names of those that have volunteered to be an Event Chair (see the Solo Schedule in this issue) in both the Clutch Chatter and on the website. It's easy to volunteer – just contact us!! Solo Events without a designated Event Chair will be cancelled. Remember – this is YOUR club!

I urge those of you that have email to sign up for the Indy SCCA Yahoo email group to receive the latest updates and information. There are different contact options available so that you can choose to receive individual emails, digests, or special notices only. It's a relatively low volume list and it is a great way to keep in touch with the latest news about the Indy Region. A link to the group site is located on the main page of the www.indyscca.org website or you can go directly to: <http://groups.yahoo.com/group/indyscca/>

2003 CenDiv Solo II Championship Series Year End Results

By Clemens
Burger

The eight-event Solo II Championship Series Presented by Subaru has come to an end again. The series was created in order to unify the CenDiv Solo II community, create friendships, promote great events, increase competition levels, and improve individual's driving skills. With an average of around 200 entrants per event and over 700 different competitors, the series set several new records during its 18th season.

This year, competitors ran events in Peru/IN, Oscoda/MI, Flint/MI, Milwaukee/WI, Columbus/OH, Toledo/OH, Rantoul/IL, and Cincinnati/OH. All events were well organized and featured a variety of courses, great competition, and a lot of fun.

The awards banquet was held on November 8 at the IMS at the Brickyard Crossing in Indianapolis, right in the heart of CenDiv and in the backyard of our Indianapolis members. The banquet took place in conjunction with the Central Division Roundtable.

The large number of Indy Region members that participated in the series this year and how they finished are also signs of the strength of our Solo program. Amongst the eleven drivers that traveled throughout the division and ran

all eight events, there were four from Indy Region. The competitors affiliated with Indianapolis that ran the minimum required three events to qualify for year-end trophies placed real well. Year-end positions:

HAPPY HOLIDAYS TO ALL!

Igor's Cemetery Creep; story of a rally

By Ian Linn

On a cold, dark, and dreary night, (it sounds like a great entrance to a Stephen King novel) most of the entrants were eagerly anticipating this unique rally, some seemed a bit more cautious.

For those of you that couldn't attend, let me lay out the format for you. The participants, young and old alike, de-

parted from the Meijer store in Mooresville at 7:30ish with two maps and a questionnaire. The maps had highlighter marks designating the cemetery locations from Monrovia to Centerton. The goal was to fill in as many of the blanks on the questionnaire as possible. The trick was to accomplish this task in as few miles as possible with an hour and a half time limit. The treat if you did was a shiny

The Rally Report

By Candi ce Pope

If it was Trick or Treat, then I got the Treat. When I called last month to come out and support the rally program I was hoping that you would – but your turn out was to quote the Number 24 “Awesome”!! Seventeen entries – WOW. That almost doubled the total of the rest of the year.

When Ben offered to do a Halloween event I asked him to first make it fun and then – do something we hadn’t seen before. He delivered on both accounts. As you can see from the pictures over half of you did come in costume and almost half of entries were juniors. From what you told me at the end it was fun and different. No it wasn’t perfect and I appreciate all of those who took the time to make constructive suggestions and not just b****. Since this is new to me, I appreciate all of your input. By doing this I can try and make next year a season of events that really will deliver what you want. As far as what I heard at the end, let me tell you how we handled it. The time limit was never intended to “penalize” anyone, but especially with the kids involved to keep it from running to late. Thus we did not give anyone a “time penalty”. The results as announced and now final were based solely on the Number of Correct Answers and then Lowest Total Mileage in each group.

We still have one event left, Julie Partridge’s Yahtzee Challenge. As Julie announced this is another “Gimmick”/“Fun” event. She guarantees that skill will have absolutely nothing to with the results. At each control you will roll the Yahtzee Dice and the winner will be determined by pure luck. So again bring the kids and have some fun.

I have already had several commitments to master events for next year but still have openings for several more. Chuck and Frank have both agreed to assist anyone wanting to write a rally for next year and have put together contingent events called “Oops North” and “Oops South” . If an event has trouble for any reason we can substitute in an Oops — So even if you are not sure you can, but would like to try – contact me and we will give it a go.

Again thanks to all who turned out, and to those of you that didn’t; sorry you missed the fun. Come out and give us a try on Sunday November 23rd. Registration is at 1:30 pm. We are starting at the 1st rest stop going west after the Plainfield exit on I70.

new pumpkin trophy. Trophies were awarded to the top 5 positions, and the winners of the costume contest.

It was incredibly challenging. In fact several of the teams almost seemed frustrated when they arrived at the final checkpoint, but after some candy and a drink at the Perkins restaurant in Mooresville, the teams all realized that nearly everyone had similar issues. Nothing says Halloween like traipsing through a graveyard on a dark, wet night.

An excellent turn-out of rallyists thoroughly enjoyed the atmosphere, what a night for a scary rally.

Now THAT’S Scary !!

The Race Report: Alive and Well in 2004!

By Pete Hylton

First and foremost, Indy Region most definitely has a race program for 2004, and the dates are:

May 8/9, 2004 – Double Regional July 3/4, 2004 – Indy Grand Prix National

Since the Indy Region Board asked me last month to start the wheels rolling on the 2004 race program, we have made some great strides. I've worked with IRP to negotiate a more favorable date for our Double Regional. I have raced in snow in April too many times across the years, and moving to May is a great thing for us. Yes, it is Mother's Day weekend. But we already have some ideas about how to make mom's weekend at the track much more palatable than in the past. Details aren't firm yet, but I promise some interesting angles to get mom to come along. And yes, the National is on July 4 again. IRP was willing to work with us on a change, but the open dates they could offer us did not line up with any openings on the CenDiv calendar. So we are still on Independence Day. However, we're working on some new angles on that event too.

Now we need your help.

First off, I want every Indy Region racer to put these dates down on your schedule. I believe there is a real potential to increase the SCCA presence at IRP back towards what it once was. But we have to begin by having two strong events.

Regional drivers – there is no excuse for any Indy Region racer not attending our Double Regional. We've given

you 4 extra weeks to get that winter rebuild finished. And given you an immeasurably better chance at good weather. So right now, put this date on your calendar. Be there! And if your car and your license make you eligible to run a National Race, then come July, you need to be there too. You know the track. There's no travel expense. And it's **your** Region. Come run our National.

National drivers – there is no excuse for not putting the Indy Grand Prix on your calendar before you write down any other event. And, I strongly urge you to plan on attending the Double Regional as well. It's early enough to be a good warm up for the majority of the Nationals in the Division, yet late enough that you shouldn't have to fight frostbite. Help support the effort to re-grow the Indy Region/IRP race program.

Secondly, we need all of you to help us spread the word. Last year there was an ugly rumor going around that there would be no 2003 race program at IRP. Frankly, that rumor really hurt attendance at our two events. So starting right now, we need to make sure **everyone** knows that there **will be a 2004 race program at IRP**. Every time you talk to your racing buddies from other regions, make sure they know we are racing and make sure they know the dates. And tell them that your Region is planning a pair of good, fun, well organized events. Make them want to come.

And if you hear anybody whatsoever question whether Indy Region is still serious about going racing, I want you to lasso them, hogtie them, and beat them senseless with a tire iron.

No exceptions will be tolerated.

Notes From A Nut - End of the year

By Dick Powell

It's been a great year for me in the Indy Region SCCA. I am finishing my first year as the Editor of Clutch Chatter, and although it is a lot of work, I have enjoyed it. As a result, I have also gotten more involved in the other activities of the Indy Region SCCA, and found out how neat the Solo events are, and what a great bunch of guys (and gals) we have competing through the cones. I got a lot of pictures at the Solo's (pretty good ones I think) that Chad Stringer put on our website for everyone to view, and I hope that added to everyone's FUN for the year. I even entered my slow but FUN Toyota Tercel in two Solo events to see what it is like on the course, and learned quite a bit about what the car does when it is pushed some (it's still a slow pig). Of course, I also completed another year crewing for John Salisbury's H Production Spridget, with great success and a lot more FUN. And I have been attending the Board of Directors meetings to learn a little more about the running of our club (and enjoying the Kart racing after the meeting!). Everyone should make it to a meeting at least once to see what is happening to YOUR club.

Have YOU joined the fun with the rest of your club? Did

you get out to one of the Solo events, or a rally, or to the Races at IRP? There is plenty of FUN available for anyone who wants to come out. Our new Rally Chairperson Candice Pope preparing for a big year in 2004. The Solo folks are going to have a big year in 2004, and YOU can get out there with all the others enjoying Your Club. And our new Race Chair Pete Hylton has really got 2004 off to a running start, with confirmed race dates for the year on hopefully a more weather friendly schedule.

Come to the awards banquet (and annual meeting) on December 6th this year and meet the people who have been having the most fun of all, as well as getting a chance to Vote on the Board of Directors for 2004. You can even run as a write-in candidate if you want to participate but missed the nominations deadline.

YOU can contact the people who chair the events by finding their contact information inside the front cover. Each one of them will be more than happy to point you in the right direction to get you involved.

This is YOUR club, come on out and join the FUN with the rest of us! LET'S DO IT!

Clutch Chatter Mailing Opt-In/Opt-Out

Indy Region implemented the 'opt in' approach for mailing Clutch Chatter with the April 2002 issue. Unless you sent in the 'opt in' form (below), you will not receive a copy in the mail.

A complete, printable, electronic format copy of Clutch Chatter (including back issues) in Adobe pdf format is available to view or download on the Indy Region website at indyscca.org.

When an issue of Clutch Chatter is completed and ready for publication, the pdf file will be posted out on the Indy Region website and a **special notice e-mail** will be sent to the Indy Region e-group with a link to the download page. This should be available several days before the mailed copies arrive, since it won't have to go through the printer or the mail.

In order to receive this special notice e-mail, you will need to be a member of the **Indy Region e-group**. Membership in the e-group is free and open to anybody, plus it's very simple to join. Just go to one of the following links and follow the instructions:

<http://groups.yahoo.com/subscribe/indyscca>

<http://groups.yahoo.com/group/indyscca>

If you want to receive the e-mail notifying you that the new issue of Clutch Chatter is posted on indyscca.org, but you don't want to get all of the other regular e-mails that come through the e-group, you can select to receive only special notices. To change your e-group settings, go to <http://groups.yahoo.com/group/indyscca/>, then select **Edit My Membership**, then change your **Message select** option to **Special notices**.

You don't have to receive the e-mail to get the newsletter — it will be posted on the website and available for download by anybody. The e-mail will just be letting you know that the new Clutch Chatter is out there.

The **pdf format** is very popular and widely used. It is supported by Adobe Reader, which is available to download for free, commonly pre-installed on new computers, and widely compatible with all but the very outdated versions of Windows. There is a link to the Adobe page on the Indy Region website, too.

New members of Indy Region will receive Clutch Chatter in the mail for three months, after which they are expected to view or download from the website. They will be able to elect to opt-in by filling out and mailing in the form below.

Non-members. Clutch Chatter is a valuable tool for recruiting new members into the region, and drawing participants to our events. Our new process will be to purge them from the list after three months. If they participate in another event after the three months, then they stay on the list.

If you **change your mind**, you can complete and mail in the form below.
