THE OFFICIAL PUBLICATION OF THE
INDIANAPOLIS REGION OF THE

NEWS AND STORIES ABOUT EVENTS OF YOUR REGION OF YOUR CLUB

HELP WANTED!

Flagging & Communications * Pit & Grid * Timing & Scoring * Hospitality/Party * Course

This is a call to action! **Indy Region needs your help staffing our National race.** Twenty new volunteers can make a huge difference in making this event a success. There are many areas where we need help and that means a specialty that fits for each of you — inside, outside, near the cars and action, interacting with people, intense or laid back — work both days, one day or the other.

Freebies—free Indy Region solo/rally event entry for each day worked & more

Fun, Friends, Food & Festivities — while we sometimes call this “work”, you can have a blast doing it! Join with your friends for the action. Workers get free lunches and entry to the big Saturday night party.

New to working races? Don't be intimidated. We will show you what to do and answer your questions “on-the-job”. Check out the articles in this issue describing the different race specialties. Contact us with any questions. Stay tuned for more details regarding a new special program for new workers.

If we can't adequately staff our races, we won't be allowed to hold races.

Other regions are lined up asking for race dates. Each one of you can make a difference. Please come out and contribute to our success.

Pictures from our Solo, Rally, and Race events are posted on our website, and are available for anyone who is interested to download for free. This does take some time on dial-up to download pictures of this size and quality. If you would like to have all the pictures from any specific event on a CD, we can provide them to you for the small fee of \$5 per event. Send a check to Indianapolis Region SCCA for the \$5, along with your address and a note of the particular event you want the pictures of, to:

Dick Powell, editor
2835 Madelynne Drive, Apt. D Indianapolis, IN 46229

You should get the CD in the mail in about a week.

RE News: Thanks, and We Need More...

by Matt Curry

Thanks to everybody who came out and made our Mother's Day Sprints happen. We overcame many challenges to put on this event. The new pavement yielded eight new track records, the tower stood the test of a hard rain, and our entries were respectable.

Unfortunately there were some "near misses" to offset the success. Foremost, our staffing was below acceptable levels, forcing us to juggle things around to get the event underway. Thanks to those who heeded our call on both days by offering your services.

We still have our hands full with the updates that need to be made at IRP, but of equal concern is filling out the staff for our Indy Grand Prix National races in July. That's where you come in.

Folks, we could lose our dates on the Central Division race schedule if we cannot properly staff our races. Regions battle every year for a place on the schedule, and the

opportunity to put on a race. We are on the borderline of acceptable performance. If we fail in July, we will go way over the edge.

Indy Region has a long tradition of road racing, over 50 years of sports car racing in the Indianapolis area. I for one would hate to see that come to an end due to lack of interest and enthusiasm.

You can make a difference. We have loaded this issue of Clutch Chatter with information about how to get involved in staffing our race. Start with the cover.

I plead for you to help Indy Region make this years Indy Grand Prix Nationals a success and continue our long tradition of road racing. Please get involved. See you on July 2-3 at IRP.

THANKS AGAIN, WORKERS (Our All-Volunteer Core)

See YOU at the Board Meeting... Share the FUN...

2005 Season Official SCCA Solo Rule books are now available from the Indy Region, at \$20. Save the shipping charges from Nationals! Pick them up at the next Indy Region Solo Event, or contact Darren Daubenspeck to pick them up.

Being a volunteer race official for the SCCA means many things. You find new doors opening, going places and seeing things others only dream about.

Key Benefits of being a race official at the 2005 Indy Grand Prix National Races:

- The best seats in the house!
- A free entry to any Indy Region solo or rally event for each day you work
- A free ticket for the race weekend so that you can bring along a spouse or friend
- A free lunch each day that you volunteer
- A great party on Saturday night!
- If you are not an SCCA member, we will give you a trial membership.

If you're a newcomer, you'll also receive introductions, on-the-job training, and assignments according to your skill and desires. Read the info below and please come out to help put on this event.

We're looking forward to seeing all of you at IRP on July 2nd and 3rd!

How Do I Become a SCCA Race Official?

It's easier than you think to get started! Check the specialties described below and pick one at which you'd like to try your hand. None of these positions require education or prior experience. Every one is open to newcomers.

If you can, call the chief of that specialty (listed below) and let him or her know you like you'd like to work as an official. She/he will arrange for training for you at the event. (If a specialty does not have a chief, contact the Race Chairman.) If you don't make the call, come out to the track either day, check in at Registration or Driver Information, and tell them you're a newcomer who wants to work.

Race Official Specialty Descriptions

COURSE - Maintain and deliver equipment to the corners and provide equipment and course support as needed during an event. Spread Oil Dry on the track after race cars lose oil. Help to flat-tow disabled cars.

DRIVER INFORMATION - Staff the primary information clearinghouse, making announcements over the PA system, and distributing results and trophies.

FLAGGING & COMMUNICATIONS (F&C) TURN MARSHALS - These are the folks dressed in white, trackside at each turn. They use flags to inform drivers of track conditions, operate a race control radio net, and handle first response to incidents on track. This is the specialty for those who want to experience the excitement of racing close-up. You can't get any closer to the action without slapping on a driver's suit and strapping in!

See the following link for a guide for the F&C novice: <http://www.texasscca.org/novice.pdf>

GRID MARSHALS - Place the cars in proper order for races and perform traffic control as cars are released to the track. They check driver safety gear and that cars permitted on track have passed inspection. This gets you up close to the cars, but also allows for socializing with the drivers and crews while they prepare to run.

PIT MARSHALS - Control action in pit lane, serve as traffic cops during practice, qualifying, and race, and insure that conditions in the pits are safe, taking care of matters such as fire control.

REGISTRATION - Sign-in and greet volunteers, competitors, crews, and guests. If you like working with people, this may be for you. You may work here in the morning and elsewhere in the afternoon. This also needs help on Friday evening.

SCRUTINEERS (TECH) - Tech inspectors check cars for safety and rules compliance and ensure drivers' gear is in good condition. They manage impound, and verify that the top finishing cars are in legal racing condition.

SOCIAL CREW - Be responsible for preparation and distribution of volunteer official lunches at events, and putting on the Saturday party.

SOUND CONTROL - Administer sound meter readings of race cars.

TIMING & SCORING - Work timing computers and transponder system recording lap times for race cars in competition. Produce computerized entry lists, grid sheets and official results for each event. This is a great specialty to get started with. Family members and guests are welcome to stop by. It is also an ideal specialty for spouses and crew members of racers, to get even closer to the details and excitement of racing without actually being on the track. It's also done in the comfort of indoors and air conditioning.

A big thank you to everyone who came out and participated in the May double regional race over Mother's Day weekend! The weather mostly co-operated, the racing was exciting and the air was filled with the kind of electricity that one feels at a family reunion. It was great to see both new and familiar faces. We had a very nice turn out of Miatas this year and these guys put on good, exciting racing. Next year this becomes a national class and we look forward to adding them to our July racing schedule. We had some very favorable comments about the paving and some misunderstandings, too. The biggest fallacy seems to be that IRP paid for all of it. Not so, my friends! Indy Region has put its budget and neck on the line for track improvements. There is a little space on the entry form allowing racers to donate VOLUNTARILY to track improvement fund. Because of this misconception very little was donated. Any amount anyone is interested in donating is greatly appreciated as well as any help with the tower renovations. We were very lucky to have a tower at all but we are still a ways

from completion. Steve Linn is our "go-to" guy and I know he would appreciate hearing from you. Now.....about the July National.....

PLEEEEAASEE!!!! I know you have heard it before and you're hearing it again from me...we need volunteers! I am not being "doomsday" person when I say that unless we really get out and support our local races we might not have them. We are required to have a certain number of workers working a race and there is always a very real possibility of having a race cancelled if we are short handed. If you are not experienced in a particular specialty we will pair you up with those who are for some good on-the-job training. We have over 500 members in this region and it is sad that we are short workers. Anyone who wants to come out and give a helping hand please call me. All specialties welcome the new additions and hospitality could use an extra helping hand in putting the "pig-in" on. This year it will be in the tradition of a Fourth of July cookout.

I am looking forward to seeing all of you at the races!

Solo Report: da Bus Did It !!!

by Jim Lin

Well, it looks like I spoke too soon about the reliability of Da Bus. For the first time that I can remember we've had to cancel an autocross. Da Bus was unfortunately not cooperating. There was less than a week until Points 2 and we couldn't guarantee that a shop could find a fix for Da Ailing Bus, so the solo co-chairs decided that canceling the event early was preferable to being forced to cancel the day before. Da Bus is currently at a shop getting (professionally) fixed so that it'll be good and ready for our CenDiv event in June.

On to more pleasant business...We've got our previously mentioned CenDiv event coming up on June 4 and 5 up at Grissom. This event is pre-registration only so if you're planning on competing at this two day event, get signed up at www.myautoevents.com. The event can be found by clicking on "Find an Event" and searching for the word "Indianapolis".

We had an excellent turnout last year and it was a lot of fun. The courses (different each day) were fast and flowing, especially compared to what we normally run regionally. You also get a chance to see and meet a lot of excellent drivers and cool cars. Everyone should experience a CenDiv event at least once!

Wanna autocross for free? The National Race we're hosting at Indianapolis Raceway Park (IRP) in July is looking for people to come out and help with the event. The event takes place at IRP on July 2 and 3. Positions are open in tech, registration, pit/grid, timing/scoring, and of course corner worker positions up close to the action. No experience is necessary, and we'll provide lunch on both days. There'll be a cookout with live entertainment on Saturday night after the last race finishes up.

Anyone who volunteers to help with our National Race will get a coupon per day for a free Indy region rally or autocross, good till the end of the year. Help out for two days, get two free events! Come out for one or both days. Those interested can find contact information on page 5.

This is a synopsis of the minutes of the meeting of the Indy Region BOD May 17, 2005. There were 11 Directors and 8 guests present. Minutes of the previous meeting were approved.

Treasurers Report Rich Lankford presented the treasurers report in a new format with more details, and organized by cost centers. Included was the preliminary financial information from our Double Regionals, including the costs for the paving and tower repairs at IRP.

Frank has given the corporate tax forms and 2004 files to Rich for review and filing.

Awards Banquet caterer still has not presented a bill to us. We will send them a letter stating we are trying to pay but getting no response. Lou Ann is still working with her bank to clear up the discrepancies about the deposit payment to JA Center.

Rally The last spring rally was successful, with a good turnout. Candice is planning with Lou Byer for a summer fun rally ending at a picnic in a park. More details will follow as the planning proceeds.

Candice presented some concerns with the possible equipment rentals as discussed last month. Frank presented a list of concerns from a lawyers review. Changes were discussed to address these concerns. A motion was made and seconded to accept the changes to the original contract: Chuck Hanson to revise the contract before use. 1 vote NO, others Yes: passed.

Solo Darren reported some significant problems with da Bus, needing more repairs than our people can handle. Shane Benson at AIM Tuning will work on the problems. Darren is concerned about da Bus being repairable in time for the Anderson event, and especially for the Divisional Solo at Grissom. The Anderson event will be cancelled to concentrate on getting da Bus available for the Divisional. Darren and his co-chairs will start calling competitors, and post the cancellation on the e-groups and the website.

The Winged Warriors event did not rent our backup timing system as discussed last month.

Rick announced the final committee meeting for the Divisional Solo to be at the Boreens on May 24, and requested all the specialty chairs make a special effort to be there for the final planning. Entries are coming in about like last year, indicating probability of another good event for us.

Race The paving at IRP was completed, including some work beyond the original proposal. Steve Lin coordinated work on the tower to make it useable for the Region-

als, with help on the roof from John Riedling.

Jeanne reported the cost containment for the May Race was effective, and Thanked everyone who worked extra to make it happen. The races went well generally, although the worker shortage was a major problem, requiring the Stewards to work on corners. We need some ideas for getting more workers out to our races.

The entry forms for the Nationals are back from the printers, and will be mailed this week: Dick is getting the mailing lists from SCCA and handling the mailing. Jeanne is organizing the party for the Nationals similar to last year.

John Riedling presented information on future work needed on the tower to repair and Roof it for long term use. Steve Linn will continue to coordinate our activities with IRP, and clarify what they will do, and what we need to do.

Clutch Chatter Dick presented a report of May expenses, and stated the expenses for the year are still slightly ahead of projections. Dick requested material for June be submitted by May 23 to facilitate getting the newsletter out as early as possible.

Activities Lou Byer is working on possible meeting locations, nothing special to report yet. The BOD discussed possibly having our annual meeting in December per the bylaws, but moving our Awards Banquet to early in the following year. This may give us some cost advantages, and may also improve our turnout. Lou Byer will follow up on some earlier suggestions for locations and timing for this years banquet.

Membership current membership is 539 members. SCCA HQ is changing the monthly membership reports in response to input from membership chairs from individual regions. The new report formats are making it easier for us to find our information.

Old Business Some of the free entry coupons purchased by Rotary Revolution for their workers have been redeemed at our Solo events. We expect some coupons to be used from our Regionals worker handouts, and will also be giving free entry coupons at the Nationals in July.

The SCCA BOD has approved the CenDiv split. Next year will have the current Area 5 as Central Division, and the current Area 4 as Great Lakes Division.

New Business Matt announced a Ferrari Drivers School at IRP, and noted their request for instructors.

Rick Swarts informed us of the new CenDiv Solo Administrator Pete Hetman.

Next meeting scheduled for Wednesday, June 8 at Cornerstone Controls. Meeting was adjourned.

Activities Report

By Lou Byer

Candy Pope has asked me to set up a picnic at Eagle Creek Park for the 20th of August. We are planning to meet at the Lilly Lake shelter following a rally to be held earlier. Candy will get more information about the rally in a future issue.

Jeff Miller from Junior Achievement sent a message to me regarding an event being held at their offices 7435 N. Keystone Ave., Indianapolis. on Saturday, June 18 from

8:00-10:00AM. This includes a FREE breakfast sponsored by AXA Financial prior to the qualifications for the US Grand Prix. Jon Groom, the owner and driver of the #65 AXA Porsche that races in the Speed World Challenge Racing Series will be there to meet and speak to those who attend. If anyone is interested in attending, please contact me and I will check into arranging for a section of seats for us to sit together.

Clutch Chatter Mailing Opt-In/Opt-Out

Indy Region implemented the 'opt in' approach for mailing Clutch Chatter with the April 2002 issue. Unless you sent in the 'opt in' form (below), you will not receive a copy in the mail.

A complete, printable, electronic format copy of Clutch Chatter (including back issues) in Adobe pdf format is available to view or download on the Indy Region website at indyscca.org.

When an issue of Clutch Chatter is completed and ready for publication, the pdf file will be posted out on the Indy Region website and a **special notice e-mail** will be sent to the Indy Region e-group with a link to the download page. This should be available several days before the mailed copies arrive, since it won't have to go through the printer or the mail.

In order to receive this special notice e-mail, you will need to be a member of the **Indy Region e-group**. Membership in the e-group is free and open to anybody, plus it's very simple to join. Just go to one of the following links and follow the instructions:

<http://groups.yahoo.com/subscribe/indyscca>

<http://groups.yahoo.com/group/indyscca>

If you want to receive the e-mail notifying you that the new issue of Clutch Chatter is posted on indyscca.org, but you don't want to get all of the other regular e-mails that come through the e-group, you can select to receive only special notices. To change your e-group settings, go to <http://groups.yahoo.com/group/indyscca/>, then select **Edit My Membership**, then change your **Message select** option to **Special notices**.

You don't have to receive the e-mail to get the newsletter — it will be posted on the website and available for download by anybody. The e-mail will just be letting you know that the new Clutch Chatter is out there.

The **pdf format** is very popular and widely used. It is supported by Adobe Reader, which is available to download for free, commonly pre-installed on new computers, and widely compatible with all but the very outdated versions of Windows. There is a link to the Adobe page on the Indy Region website, too.

New members of Indy Region will receive Clutch Chatter in the mail for three months, after which they are expected to view or download from the website. They will be able to elect to opt-in by filling out and mailing in the form below.

Non-members. Clutch Chatter is a valuable tool for recruiting new members into the region, and drawing participants to our events. Our new process will be to purge them from the list after three months. If they participate in another event after the three months, then they stay on the list.

If you **change your mind**, you can complete and mail in the form below.
