Hello Indy Region Members,

Well, I guess the best thing I have to say this month is next year it's going to be up to one of you folks to write a monthly report to all the rest of us. That's right; I'm not going to be the R.E. next year. Two years is enough.

It's been fun, sort of, at times. I'm not kidding about that either folks. Sometimes it is extremely enjoyable, and there are the other times...well, I'll not ruin those good times.

It seem like it has been a couple of months since last month's meeting. Next week, around the 17th, some of our folks will be gathering at Road America for the Runoffs. Around a week or so ago, a fair number of our folks were at the Solo runoffs, and I'm sure they were rather successful. And then, in October some of our folks will be going to the Rally Cross Runoffs. Speaking of RallyX, Travis Camp, our Chairman of RallyX, has finally earned his Safety Steward License, through very little help of the higher-ups in the Division and National. Way to go, Travis. Whenever you see him, congrats are in order.

Oh well, that's enough for this month. I would like for all of you to think about who you would like to be in the elected positions for next year. We will be holding elections and would like for all of you to either run for a position and or talk to your friends about one of the positions. And NO, I am not running, except for the state line.

Andy

Clutch Chatter Mailing Opt In/Opt Out

A complete, printable, electronic format copy of Clutch Chatter (including back issues) is available in Adobe pdf format for downloading on the Indy Region website at indyscca.org. Paper copies are only mailed to those who have sent the "Opt-In" form. *Due to rising costs, the BOD asks that you only opt-in if you cannot access the online version.*

When an issue of Clutch Chatter is completed and ready for publication, the pdf file will be posted on the Indy Region website and a **special notice e-mail** will be sent to the Indy Region e-group with a link to the download page. This should be available several days before the mailed copies arrive, since it won't have to go through the printer or the mail.

New members of Indy Region will receive Clutch Chatter in the mail for two months, after which they are expected to view or download from the website. They will be able to elect to opt-in by filling out and mailing in the form below.

Non-members. Clutch Chatter is a valuable tool for recruiting new members into the region, and drawing participants to our events. Our plan is to add non-member competitors to the mailing list for the month. If they participate in another event during the following month, then they will stay on the list for another month.

If you **change your mind**, you can complete and mail in the form below.

Opt-In/ Opt-Out Form

Return completed form to:
Josh Kikta
c/o Clutch Chatter
13101 S Elster Way
Fishers, IN 46037

Indy Region SCCA **Members Only:**

Opt-in to continue receiving Clutch Chatter via mail by completing and returning this form.

Opt-out to stop receiving Clutch Chatter via mail by completing and returning this form.

Name: _____ SCCA Membership # _____

Address: _____
(address is provided for confirmation purposes only and will not result in an address change)

Your answer to the following question has no bearing on your choice:
Do you have an e-mail address or readily available internet access? Yes _____ No _____

This is a synopsis of the minutes of the meeting of the Indy Region BOD September 13, 2012 at Dooley O'Tooles, 6:30 PM. There were 7 directors and 4 guests present. Minutes of the previous meeting were approved.

Treasurers Report Rich emailed the report to everyone before the meeting. After minor discussion, the report was approved.

Clutch Chatter Josh requested any materials for the next issue be submitted by the 15th. Josh announced he will not be able to continue as editor for 2013. He will put a notice in CC for the next few issues asking for a new editor to step forward. Josh will make himself available to help a new editor get started, and create a help guide for the new editor to get through the printing process and requirements.

Membership Stephanie reported current membership is 382. This is basically holding steady, as new members are numbering similar to expired memberships. She noted one of the new members noted RallyCross as his primary interest for membership.

Website John sent out an email before the meeting, thanking everyone for their submittals. He noted that he will be covering the Runoffs for Sportscar, and will be very busy for a couple weeks, and stated if anyone needed anything posted before the end of the month to please submit it ASAP, if not sooner.

Rally Chuck sent a report by email to the group. Andy K. reports the September Rally is completed and sanction applied for, and Ted D. reports the October Rally is nearly ready, and he and Chuck will precheck on Oct. 13th.

Race GLDiv has asked the regions to organize a Drivers

School for next April at Gingerman. Andy W. and Dave D. will keep in touch with the other regions for potential planning.

Solo Stephanie read a report from Pauletta. The Subaru event hosted by the region was a success, with about 60 competitors. Dave and Chris will be helping set up a Solo for the Monster Mopar weekend at LORI on Fri and Sat 9/21-22.

Our next event is the final points event of the year on September 23 at the Speedrome. The last event of the year for our Solo program is the October 14 Fun Event at Grissom, open to all who want to run.

The City of Connersville has sold the Carbon Motors Plant. We do not have the details of the new owner yet.

RallyCross Program Our RallyCross event on Sept. 1 had 34 entries, the best yet. After all his work, efforts, and diligence, Travis has finally received his RallyCross Safety Steward License, and, in fact, was the Safety Steward for the Sept 1 event.

Travis is working with the Fort Wayne Region to organize another event for the year, details to be determined with more meetings.

New Business John Calhoun has contacted Sam Crites to possibly prepare a rally for a Car Club Challenge. There are more than a dozen car clubs in the area that can be approached with the concept. Sam will get with Chuck Hanson to see how this might be set up. This could have the potential to introduce a lot of new people to the rally program and the fun it offers.

Next BOD meeting scheduled for October 11 at O'Tooles. Meeting was adjourned.

Indy Region's Next Board Meeting

at Dooley O'Tooles

160 E. Carmel Drive

0.6 mile west of
Keystone Ave.

Thursday October 11, 6:30 PM

Contact: Dave Dusterberg ddusterberg1@verizon.net 317-512-3208
 Josh Kikta joshkikta@gmail.com 765-412-3083

The September rally was blessed with perfect weather, warm enough to put the top down on a convertible, and cool enough to enjoy doing so. We had one novice team along with our regulars, for a total of six cars. Our thanks to Andy Kowalczyk for putting it together and to our reliable go to guy Dick Powell for his assistance working controls.

Andy's map rally for September was a blast to run. I admit that I didn't get the description exactly correct last month (because Andy couldn't tell me enough since I was planning to compete and it might have given me an unfair advantage). This is some of the prettiest scenery in Indiana, definitely not the flatlands that most of us see regularly here in the city. Was a little early for full fall color, but some of the trees were changing and it was beautiful.

Ted has us starting in the same location as last year, but he is going to take us in a different direction, and to different spooky places. This has been our most popular event for the last several years. It is especially popular for kids of all ages who want to get into the "spookiness" of Halloween. After all, what could be "spookier" than exploring old cemeteries after dark!

Information on November Can Be Nasty or Nice (NCBNON) is below. There are lots of interesting roads in that area. The GTA will be based on the Tour route, so it will be easy to follow. Enjoy a pleasant afternoon away from the shopping malls.

2012 Rally Dates for Indianapolis Region

#	Event Name	Categories	Date	Rallymaster(s)
VIII.	A Flat Rock Haunting	RG	10/27	Ted Drummond
IX.	NCBNON	RC/RT/RG	11/25	Charles Hanson

A Flat Rock Haunting Saturday, Oct. 27

4:45pm - 5:40pm:	Registration at Starting Point, (see www.indyscca.org)
5:40pm - 5:50pm:	Late Registration
5:40pm:	Entrants' Meeting
5:50pm:	Safety Meeting - Mandatory
6:00pm + Car #:	Start of Rally, first car off.
9:00pm + Car #:	Should arrive at End Point, Denny's in Shelbyville

November Can Be Nasty Or Nice Saturday, Nov. 25

Noon – 12:45 PM	Registration Southern Plaza (I465 / US 31)
12:45	Entrants Meeting
1:00 + Car #:	Start of Rally
5:00 + Car #:	Finish Rally (Indy's Restaurant in Martinsville)

The End is Near.....

We are nearing the end of the 2012 season. I am proud to announce that Stefanie Stribling will be taking over as the Solo Chair for 2013. Stefanie has already been a big help to me this season. She has been the timing and scoring chief for this season.

I'm proud to say the Indy Region won the 2012 Hoosier Challenge this year. I haven't see a trophy, not sure if there was one this year. But we did it and have bragging rights for another season.

We held our annual Subaru Challenge again this year. We had a new Subaru representative this year. So we had a few growing pains, but as always the end result was a successful event.

Pauletta Dusterberg

Indy hosted the 2012 Peru National Tour, Northern States Championship at Grissom in September. Indy did a great job of hosting this event. Heard lots of good comments about the event.

Indy had a good showing at the National Tour in Lincoln again this year. After more than a thousand events, the best Soloists make the pilgrimage to their own promised land—Lincoln, Nebraska. More than 1,200 drivers flock to a four-day period that makes the largest competitive motorsports event in the world—the Tire Rack SCCA Solo National Championships. Many of our local guys and gals made this trip. See the National Tour website on www.scca.com.

By the time this goes to print, we will probably have already had our final points event at Indianapolis Speedrome. Our fun event will be held October 14 at the Grissom Aeroplex. This event is open to anyone who wishes to participate.

Indyscca.org Solo Series 2012 Schedule

Regular and Special Events

- | | | |
|---------------|------------------------------|---------------------------------|
| October 14 | Fun Event | Grissom Aeroplex, Peru, IN |
| October 27-28 | SCCA Tri-States Championship | National Tour - Blytheville, AR |

Note: Always check the website for any updates to the schedule.

After two years of being editor, it is time to pass the torch. I would like someone to take over by December with the first issue being the January/February issue. This is not a difficult job, but it does require some word processing and MS Publisher skills. If you can use Word and PowerPoint, then you can learn the rest. I will make a how-to guide available to you, plus additional training if needed. If interested, please email or call: joshkikta@gmail.com or 765-412-3083

Solo National Championship Results

By: Clemens Burger

40th Tire Rack SCCA Solo National Championship, Lincoln Air Park, Lincoln/NE, September 3-7

This year was the 40th time a bunch of autocross fans got together to determine the SCCA Solo National Champions. Just like last year, the event took place at the Lincoln Air Park in Lincoln, Nebraska.

The final entry count was 1135 drivers, which means that a new attendance record was not set this year. Therefore, the 1157 entries from the 35th running of the Solo Nationals still stand as the all-time record. However, well above 1100 drivers for this event are still an impressive number.

Accommodating this many drivers, in addition to two large competition courses and one practice course, is not a small feat. The organizers started to formally assign paddock spots a few years ago, but came up with a major change this year for their paddock registration system in form of preregistration over the Internet. We set a combined Indy Region/CM paddock, thanks to Nick Myers and Chris Pruett, one of the CM competitors that paddocked with us. Not only did those two reserve the paddock spots for the entire group, but also arranged the "compound" by laying out the paddock area and generating a map so that everyone knew where to go even before the first person arrived.

All 17 drivers from Indy Region who had signed up made the trip. BM, CM and DM ran on Tuesday/Wednesday, the rest of the classes with participation from Indy on Thursday and Friday. The weather was good with just a few sprinkles on Monday, the day before the official start of the event. Rain was threatening on Friday with showers in the area, but the weather did hold up, and everyone was able to complete all their runs in the dry. Only the temperatures

seemed a little crazy with the thermometer hitting 102° F on Tuesday, a record high for that date, but then not getting out of the 70s on Friday.

We all got to experience again that Nationals is a big event in all aspects. We drove two courses that exceeded the average autocross course in length. Even for a faster class, such as Super Stock, the combined time for the two days was over two minutes. The courses were challenging, but also fun, with high average speeds, good flow, and no painful features or elements. With the best drivers in the country showing up and plenty of entries in all classes, it was absolutely necessary to put two good runs together, one on each course, in order to do well. Any cones, or even only somewhat tentative driving, can push a competitor down in the standings quite a bit. O.k., let's see how everyone did:

We had three entries in BSP that all finished fairly close together. The top driver from Indy Region was Kevin Kent in 12th place. Not too far behind him were Jason Proksch in 14th place and Eric Burns in 18th. They were all driving BMWs, Kevin running his own Z4, and Eric driving Jason's M3. CSP was a very fast class this year with the top PAX spot being posted by the CSP winner, and fifth place in class was still #11 on the PAX. Raleigh Boreen finished 17th in this very tough group. Velma Boreen finished third in CSPL.

STC, like always, had practically only Honda Civics running with one exception in form of a Dodge Neon. Kevin Miller, driving Will Lahee's Civic, finished the event in 18th place, followed by Will only two positions behind in the 20th spot. As many times before, the two drivers were very close together in terms of elapsed time, separated only by two tenths of a second. Bob Miller ran in STF in a borrowed ride and finished ninth.

Dan Stone and I competed in BM again. It was a successful week, and the event could not have gone any better for us. The car held together after PAX position, the best of all Indy Region competitors. Behind him were Nick Myers in fifth place and Mark Lamm in sixth place, which were both trophy positions. The other two Indy Region drivers in this class were Brent Cary, who finished 11th, and Steve Geiger, who finished 19th.

some last-minute repairs, and we were able to repeat our 1-2 finish from 2009 with me winning, and Dan coming in second. Dan had to add a little drama, but got it done with a come-from-behind run on his last run after he had the second position after Day 1, but fell behind early on Day 2. My combined time ended up being the second fastest of the event. My finish also qualified me for the Gumout Challenge, during which the top-PAX finishers from each heat ran against each other in the Gumout-sponsored Volkswagen GTI in a two-run shootout for cash prizes of up to \$500. However, I did not place in this competition as others adapted better to this front-wheel drive car.

CM was the largest class from the Indy perspective with five drivers competing, of course all in Formula Fords. As a result, that group also brought home the most hardware, which was a major accomplishment, considering that seven out of the 21 drivers had previously earned a total of 15 National Championships in a variety of classes. However, in the end, it was first-year competitor Brandon Lavender, who took the title in this strong class in a "rental car". He did so in convincing fashion by taking the lead with the first run on Day 1 and only temporarily relinquishing it again early on Day 2. However Brandon did not let the pressure of the big event get to him and took the lead back with another fast time on his last run. After scoring a trophy last year at Nationals in ES, Brandon switched to CM this year, running Mark Lamm's 1973 Dulon. He apparently adapted to the new car quickly and won several key events this year, and his Nationals win showed that those were no flukes. In addition, Brandon's first National Championship was also a top-ten

We have two more modified classes with Indy Region participation. Steve Brinkerhoff ended up 17th in DM, and Craig Hudson finished his first Nationals in 18th place in a borrowed F500 car.

Two National Championships and three trophies can be considered a great success for the region. I hope everyone had a good time and will be back next year for more.

The complete and official results for the 40th Solo Nationals, including every driver and every car, can be found here:

<http://scca.cdn.racersites.com/prod/assets/2012%20Solo%20Nationals%20Final%20Results.pdf>

It looks like the SCCA is now also publishing indexed results:

Solo Membership Announcement By: Stefanie Stribling

Attention Competitors:

The Solo final event is approaching and the final points will be tallied. Remember that if you are not an official Indy Region SCCA member by that event you will not qualify to receive year end trophies. For help with becoming a member contact me Stefanie Stribling (smstribling@yahoo.com or 765-366-3870). This also applies to other Indy Region events. Make sure you are a member before the deadlines given otherwise you will not be eligible for year end trophies.

sharris@rixan.com

Information for Area 4 Members

Dear Area 4 Members,

I had hoped to issues a comprehensive Newsletter bringing you up to speed on a number of topics, and still will. But several items required immediate distribution.

GLD Roundtable – SOLO

I sent you a reminder about our upcoming Roundtable. A track for SOLO was not included with the initial reminder. Our good friends Raleigh and Velma Boreen are busy putting a SOLO track into the Roundtable Agenda as it should be. Solo is a valued and important part of SCCA. It is well managed and enjoys excellent participation. Because it does not have the problems some of our other programs have, it does not mean it should be ignored. Thanks Raleigh and Velma for stepping up and making sure Solo gets its place at the table.

The “Majors”, Scheduling and the Announcements at the Runoffs

I just got off a Conference Call with Jeff Dahnert, Lisa Noble, and Bill Kephart that included a lengthy discussion about the Majors. There will be two informational talks at the Runoffs about the evolution of the Majors program and what is planned for 2013. Unfortunately, I tried to provide you a glimpse of this program in my last Newsletter and got backstabbed by one of our GLD members. Nevertheless, I believe you deserve to know what is going on with your club and I will continue to provide you pertinent information without stealing any thunder from Topeka.. So, let me tell you a few things to help alleviate some of the fears and rumors going around.

- There will be 4 Conferences (formerly zones). Our Conference will be CenDiv and GLD.
- There will be 6 races within each Conference. Butch Kummer has been talking with specific Regions about becoming one of the 6 races.
- The Majors will be multi-faceted (i.e. not all races will necessarily follow the same format)
- All events will be “opt-in” for the Regions. Current successful events can continue to run independent of the Majors.
- But wait, there is more.....I will be able to provide many more details after the Runoffs announcements

My suggestion is to continue our scheduling process. Things will gell in the coming weeks and dates may change based upon scheduling of events around us (i.e. the National office is limited on how many events they can support on any given weekend). We will have a better picture by Roundtable. I think the Majors will be good for SCCA and good for the Regions. Change has always been painful in our club, but change we must to keep up with realities around us. Again, if you have specific questions, please ask.

The Runoffs

I will be there the entire week. If you have anything you wish to discuss, let me know and I will make the time. Oh yeah, since I am not allowed to Steward this year, I landed a pretty good gig driving the Pace Car. Whoo hoo!

Regards,
Steve

Club Day Out Road Trip!

By: Dave Dusterberg

On October 20th, 2012 we're putting together a road trip to the Gilmore Car Museum on Hickory Corners Michigan.

The Gilmore Car Museum began in 1963 as the hobby of Donald S. Gilmore when his wife, Genevieve, gave him an antique car for his birthday —a 1920 Pierce-Arrow “project car.” With the help of some friends, the auto was placed under a tent and a full restoration followed. The hobby soon grew into a collection of over 30 automobiles. Mr. Gilmore purchased 90 acres of farm property and had several historic barns dismantled piece by piece and moved to the site. It was Mr. Gilmore's wife who suggested the idea of turning the collection into a museum where future generations could enjoy the restored cars for years to come. The Gilmores established a non-profit foundation, and opened the museum to the public for the first time on Sunday, July 31, 1966. Donald Gilmore passed away in 1979, and Mrs. Gilmore in 1990, but the legacy they began continues to grow.

Today, the site includes eight historic barns, a recreated 1930s service station, a small town train station, and nearly three miles of paved roads. It isn't uncommon for guests to catch a glimpse of one of the

vintage cars or the authentic London double-decker bus in motion. And if you visit on a weekend or special show, don't be surprised if the driver asks you to hop in for a nostalgic road trip! Besides experiencing the wonderful collection of automobiles, you might find yourself reliving (or even making a few) childhood memories viewing the nearly 75 vintage pedal cars on exhibit. One of North America's largest displays of automotive hood ornaments and name badges can also be found in the combined collections of The Gilmore and CCCA museums.

It's 240 miles from Indy, about 4 hours. We'll be leaving between 7:30 and 8 AM , rendezvous point to be determined as soon as we know who all is going.

Anyone interested in going contact me at:

ddusterberg1@verizon.net

or
317-512-3208

Cheers,

Dave
