Clutch Chatter is the official newsletter of the Indianapolis Region of the Sports Car Club of America. The contents of this publication are published to entertain and inform the membership of the Indy Region all rights are reserved by the Indy Region. We stress to make this a interesting and informative communication device for our membership and would be or wannabes or guests to read and enjoy. The editor (bless his little pea picking heart) tries to include all articles, pics, ramblings, rantings, reviews, records, wedding announcements, things for sale, people of interest, people of little interest, people of absolutely no interest, race results, rally results, results of my last medical exam, colorful stories, off color stories, little golden book stories, and stuff that the editor finds on his front porch that local people discard. If you do have something from the list above send an email to me at [cwbnewpal@comcast.net](mailto:cwbnewpal@comcast.net) and I will it pass through our scrutineering process have a couple of drinks pass that through my bladder and put it in the CLUTCH CHATTER. (The article not the contents of my bladder) Publication date varies depending on when the editor feels like working or is sober or which ever comes first. Normally in a space such as this in a publication one would find important info about where this is published, the staff, etcetera. Which is all very good if we had any of that but we don't so this is it.

## Editor's Corner

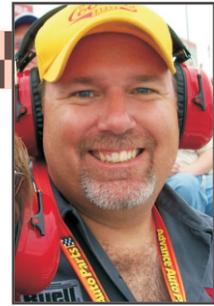

Okay thanksgiving is over I added a few pounds, but I have time before the new season to shed them so I can get into that seat, right. I know I can I've done it before, I tell myself, then Christmas hits followed by New Year's parties. Its all working against me but I must prevail, I cannot go on like this. Sound familiar? WE all go through it, some are successful some are not. I am not giving up I have Obamacare to encourage me.

One thing I would like to talk about is Andy Welden is still coming to BoD meetings after spending time in the hot seat. Now this is not to down-grade the performances of Re's past but I am glad to see Andy participate. I have seen Re's that get burnt out and stop showing up and that is understandable but experience in the drivers seat can be helpful. So I say thank you Mr. Welden and thanks to all BoD members past and present it ain't easy taking on the responsibilities of our club.

One more thing, we could sure use a race program! Any racers or past racers out there that would like to help? Or how about PDX? We had a member step up to direct that program but he has since disappeared. A PDX program would be great to have, taking laps around a road course with training something I could really get into. We did have Rally Cross but the law wasn't on our side. And there is a desire for that. Not something I would want to do unless I could bring my '94 Ford Ranger out.

We have to keep working on getting these programs up and running we have a great history as a region with a race program. And I know efforts have been made to revive racing but we need folks to step up and direct. Lets not let our club dry up.

Thanksgiving has just past and Christmas as well as New Years is just around the corner. It's a time of reflection and reviewing what we are thankful for. 2013 was a great year for me as it relates to involvement with our Region. I'm thankful to be in the company of such a great group of people. I've not experienced a more dedicated and fun-loving group. I'm thankful that I had a good season of competition and I'm thankful for the championship I won.

This one is special for a couple of reasons: first, I actually had to compete to win this one. Due to circumstances, the last couple of years my achievements have really been nothing more than participation awards, this year I had to fight for it. Second, the championship came in the class I had been championing for the last couple of seasons. I conceived SMC as a class to attract autocrossers from the world of street machining and hot rodders. The first year it pretty much was DOA but this year it took off as a place for guys who have traditional American muscle cars built to owner's tastes on hard street tires a place to compete. And compete we did. It was fun. It was good. The class attracted the attention of the National Office and what we started here wound up being the prototype for a new class that will be included in the 2014 SCCA Solo rulebook!

I'm thankful for the other members who give of themselves so others can have a good time and have a place to compete. I'm truly humbled by their efforts. Without these fine folks there would be no Indianapolis Region SCCA. I ask everyone to take a moment and thank them for their efforts and be thankful they do what they do.

Don't forget that the Annual Meeting / Awards Banquet is January 18<sup>th</sup>. Andy Welden is still accepting nominations for candidates to run for the BoD. Chris is looking for cars for the World of Wheels display in February, give him a shout if you'd like to help him with that. Everyone have a wonderful Holiday season!

Cheers,

Dave

### Membership Report

By: Will Lahee

ATTENTION MEMBERS:

Don't forget to get me your involved member award points and jackets to be embroidered!

We would like to welcome our new members to the Indianapolis Region SCCA.

Andrew Jefferson	Connersville
Michael Johnson	Indianapolis
Tony Cotman	Carmel
Chelsea Timmerman	Union City

We look forward to seeing you at an Indy Region event in the near future. As of the date of this newsletter, we are **405** members strong!

Elections for board positions are coming up and the BoD is in need of new blood. This is not a new problem, as with most volunteer run organizations it ends up being a few that will shoulder the responsibilities of running said organization. But we are different I believe, because this organization is there to provide events for people to bring their cars strictly for having fun with them in a safe way. It does not require a long term commitment, no contract, it doesn't even require you have a car. Just come meet new people make new friends and enjoy the competition. But with that membership a desire to strengthen the club should be instilled and maybe that is where we fail. The club needs a broad base of interested individuals willing to step up provide help, inspiration, vision and leadership in order to remain strong and grow. WE have shown extraordinary growth in Solo and Rally but we don't have a racing program and we don't have a PDX and unfortunately our RallyCross went down in flames. Trying not to step on any toes here, but I have attended a SBR meeting and the turn-out was easily double what ours is. Please come to a meeting and step into *your* club, become a **MEMBER** not just an attendee.  
Ed.

## Clutch Chatter Mailing Opt In/Opt Out

A complete, printable, electronic format copy of Clutch Chatter (including back issues) is available in Adobe pdf format for downloading on the Indy Region website at [indyscca.org](http://indyscca.org). Paper copies are only mailed to those who have sent the "Opt-In" form. Due to rising costs, the BOD asks that you only opt-in if you cannot access the online version.

When an issue of Clutch Chatter is completed and ready for publication, the pdf file will be posted on the Indy Region website and a **special notice e-mail** will be sent to the Indy Region e-group with a link to the download page. This should be available several days before the mailed copies arrive, since it won't have to go through the printer or the mail.

**New members** of Indy Region will receive Clutch Chatter in the mail for two months, after which they are expected to view or download from the website. They will be able to elect to opt-in by filling out and mailing in the form below.

**Non-members.** Clutch Chatter is a valuable tool for recruiting new members into the region, and drawing participants to our events. Our plan is to add non-member competitors to the mailing list for the month. If they participate in another event during the following month, then they will stay on the list for another month.

If you **change your mind**, you can complete and mail in the form below.

## Activities Report Chris Brake

This past month, we were asked by Noble of Indiana if we would be interested in volunteering some of our time to bring in some enrichment for their residents. Noble of Indiana is a non-profit organization based in Indianapolis that works with developmentally disabled individuals, providing a place to go and interact with others, however they can't really do anything offsite. Many of the people they work with get excited about cars, so they asked if we would be able to bring out a couple of our competition vehicles to let the people look at and to just talk to them. I was very happy to say we had a total of 6 vehicles out there. A big thank you to Paul Snyder, Jack Banker, Lee Miller, Bruce Faucett, and Mark Thomson (CSCC,) for donating their time to this and for bringing your cars out.

It was very apparent the joy we had brought to these people just to be there and see the cars and many even got to sit behind the wheel. It was very rewarding to both us and them, so we are hoping to make this a repeating excursion. If you would like to volunteer for future outings, please let me know and I will be sure to let you know as we plan another day.

I've received some input on potential outings for club day out, and it is very much appreciated. I am currently working on trying to make something work out from several of the suggestions; hopefully we can work something out soon. Please keep the thoughts, ideas and suggestions flowing in!

**Racers, since the season is done, unless your living in the southern hemisphere, it is time for you to get points in so you may get a year end award! And make your mark in SCCA history! Contact Jan Castelluccio email [jcastelluccio2@comvast.net](mailto:jcastelluccio2@comvast.net)**

**Checkpoint 7-13 Chuck Hanson**CHECKPOINT 11-13: by Chuck Hanson

First of all, a giant Thank You to all of the folks who worked themselves to the bone to make the 2013 rally season a success. Along with all of their effort within the Region two of them managed to win National Championships and a third came in second.

Second, I want to thank the Solo group for their cooperation in putting together a Regional schedule that allows the membership to participate in both types of competition if they so desire. Indianapolis Region has a very fine Competitor of the Year trophy and the schedule makes a run for that trophy attainable to anybody who wants to make the effort.

You will note that a number of the monthly events are listed with two potential dates; i.e. Sat. or Sun. If you have a preference for one or the other, please send an email to the Rally Chairman. We will attempt to find Event Chairmen to cooperate. Likewise, knowing that many of you have cars that you are very proud of, we are going to attempt to have at least some of the events that run on all paved roads. These will be clearly advertised!

In analyzing the results for 2013, it would appear that the Car Club Challenge was a great success in attracting potential new participants to the program. However, the schedule that we had put together for Regional events had a three month hole before any of them could attempt another event and we lost the momentum. We are going to try to rectify that lapse in 2014.

The Region is going to present two National rally events the weekend of July 19/20. We need approximately 20 workers for each day. If you can help us on either date we will be eternally grateful. And if you would like to get a feel for what a worker does prior to July, we will be happy to give you training at any of our early events.

**BoD Meeting Minutes**

INDY REGION SCCA BOD MEETING MINUTES NOVEMBER 2013

The meeting began at 630pm with the approval of the October meeting minutes. The Treasurer's report was presented to the Board by Rich Lankford. The Club is in good financial standing. We are currently seeking new officers for 2014. Nominations are currently being accepted by Dave Dusterberg. All positions are up for re-election. Nomination forms will be in the December Clutch Chatter. Please throw your name in the ring! There are currently 405 members of the Indy Region. Remember to turn your points "Involved Member" into Will Lahee. The event that took place at Noble Indiana went very well and we are planning on doing it again in 2014! The End of Year banquet will be held on Saturday January 18 (this DOES NOT interfere with other nearby regions) location to be announced. World of Wheels is scheduled for February 7-9. We are still in need of a couple more show quality cars. Please contact Activities Director, Chris Brake. Chuck Hanson the Rally Chair, stated they have one more rally for this year on November 30. Info is on the website. Stefanie noted the Solo Program had a profitable year and is planning now for next season. The National Tour schedule is now out so she can plan accordingly. There will be a Planning Meeting at the Dusterberg's on Thursday, November 21. Dave Dusterberg excitedly announced the new CAM class for 2014. This is the former SMC class (Pro touring 200 tread wear tire, street legal, minimum 2 seats and American made). This is a regional only class. This class will not be accepted at the National level. The next Board meeting is Thursday December 12 at 6:30pm, Dooley O'Tooles, Carmel. Everyone is encouraged to attend! The meeting was adjourned at 7:30pm. Happy Thanksgiving everyone!

Respectfully submitted by Tracy LeVeque, Secretary

Tracy

## Solo Schedule

**BIG THINGS COMING  
KEEP YOUR EYE ON  
OUR WEB SITE!**

Remember all dates and locations are subject to change. Please check the website for any changes.

\*RECORD DAY: These events will be run on Grissom's test and tune course. The purpose is to establish and later break class time records. These events will operate as a normal Indy SCCA Solo event except that awards will only be presented to new record holders. The region will keep a database of record holders for each class. Each record holder will receive an official document signifying the record signed by the Solo Chair and Regional Executive. In 2014 this will become a single two day event that will allow competitors to run for records in multiple classes

## Solo Report Stephanie Stribling

Planning from the 2014 season is now in full swing. A planning meeting was held Nov 21 at the Dusterberg's house. There was 15-20 members in attendance. We discussed next year's Chief positions and have all of them filled. Again, if you were a Chief in 2013 and haven't told me yet that you resign, I am assuming you are going to be a Chief in 2014. The event dates for the 2014 were discussed. I am hoping to have to schedule finalized by the end of the year. We are happy to announce that we were able to find a new Indy site for the 2014 season. Two of our events next year will be at the Indiana State Fairgrounds. We are excited to be working with ISFG and excited to have a new site within the 465 circle. Watch the forums and the website for details.

Points are only awarded for Indy Region related events, except for Great Lakes Roundtable and SCCA National Convention. There will be no combination of points for a single event; points from only one category may be scored per day. For example, a member who is a worker and a driver on the same day at the same event may only score points for one category or the other. Each member is solely responsible for tracking and reporting their points; no one else will do this for you. To be eligible for an award, the Indy Region member must fill out the attached form or a reasonable facsimile and mail or e-mail it to the Membership Chairman. The form can also be downloaded in Excel format from our website, making tabulation of points easier. All forms must be received no later than December 31st of the year in order to be eligible for an Involved Member Award for that year. Confirming receipt of submitted points is the sole responsibility of the entrant. A person's eligibility will be verified by the Membership Chairman. The IMA will be presented to the winning members at the Annual Awards Banquet for that year.
